

**NATIONAL BOARD OF EXAMINATIONS
IN MEDICAL SCIENCES
NEW DELHI**

Dated:30.04.2022

NOTICE

Subject: Extension of the Final Edit Window for NEET-PG 2022

Kind Attn: NEET-PG 2022 applicants who are advised corrections in image(s) uploaded in application form

1. Some of the applicants for NEET-PG 2022 have failed to upload the images (uploaded photograph, photograph captured through webcam, signature and/or thumb impression) in their application forms as per image upload guidelines. They have also failed to rectify such incorrect images till date despite being given opportunities through ongoing final edit window.
2. All such candidates are being informed once again through emails to rectify the incorrect images in their application forms. **They shall be able to rectify the incorrect image(s) in their application form during the ongoing final edit window which stands extended till 04.05.2022 (till 11:55 PM).**
3. Such candidates are required to edit the incorrect images in application form through applicant login at NEET-PG 2022 index page on NBEMS website <https://nbe.edu.in> using following steps:
 - **Login to application** form using your credentials.
 - Click on '**Go to Application Form**' link at top right corner.
 - Click on 'SAVE AND NEXT' button at bottom and **reach to last tab (Upload document Tab)**
 - **Upload the correct image** as asked above.
 - Click on 'Preview' button to **verify that the image is updated successfully.**
 - Click on 'Submit' button to **submit the form.**
4. The option to edit incorrect image(s) during the edit window is given only once. Candidates must ensure not to submit their applications without editing the image(s) asked to be corrected.
